Client Reviews

“Meet a man who is truly taking it BLACK to the future! Get ready to be educated, entertained, and empowered with a special performance, taking it to the next level. Give it up for Fyütch!

Nick Cannon, Actor, Television host

“Fyütch recently teamed up with me and my Warby Parker Employee Resource Group to perform an interactive concert for some of the employees and their families. Long story short: He was absolutely phenomenal and we can’t wait to have him back!! Thanks so much for your amazing performance and engagement for our celebration :)”

Samm Biggs, Warby Parker

“Weeks after Fyütch’s time with Navigator Nation, the hallway and airways are still buzzing with excitement. From parents reporting that their children are insisting that the CD be played on the drive to and from school, to families inquiring about their child singing "Black Women in History" over and over again, to students reporting it was the best part of their day to staff lighting the room talking about the day. YES, YES, YES, having Fyütch celebrate PRIDE, HISTORY, and TRUTH is a MUST HAVE for any organization or event!!!

**Principal Coretta Sharpless,
Northside Elementary School, Chapel Hill, NC**

EDUCATE

**Bring Fyütch to your school for assemblies and classroom writing workshops.
Recommended for students in Kindergarten through 12th grade.**

SCHOOL ASSEMBLY

Fyütch at schools is a show-stopping event that will engage young minds. Fyütch leads a 45-minute assembly using hip-hop for a show that centers around diversity and inclusion. Students actively participate and connect with the content through energetic dance routines, learning sign language, and positive chants. This show promotes critical thinking in a fun, inclusive, and encouraging atmosphere. This option focuses on songs and interactive discussions, including trivia with topics like identity, safe spaces, and the experiences of Black and Indigenous People of Color.

CLASSROOM WORKSHOPS

What better way to reach students, than in their element: the classroom. This option allows educators to invite Fyütch to lead two 60-90 minute classroom writing workshops for up to 30 students per class. **Writing workshop topics include safe spaces, eco-awareness, self-expression, and fostering empathy and understanding among students.** Through interactive exercises and creative activities, students explore these themes in a supportive and encouraging environment, enhancing their writing skills and critical thinking abilities.

VIRTUAL CONCERT

Technology makes it easy for Fyütch to lead a 45-minute assembly over Zoom for students and staff to enjoy. This performance can be broadcast on smartboards in the classroom, and students can interact through raised hands and answering questions with teachers facilitating the chat.
